# LAUNCH EVENT: Accelerating innovation in Clean Hydrogen

**Saturday 16 November 2024, 10:45 – 11:45 AZT**

**Industry Solutions for People and Planet Hub | UNIDO (Blue Zone, A7)**

This event will present and launch a new, comprehensive market assessment focused on innovation in clean hydrogen in developing countries. Commissioned by UNIDO's Accelerate-to-Demonstrate (A2D) Facility, the large-scale market assessment analyzed key markets, technologies, initiatives and projects, enhancing the global evidence base in these areas.

## **Agenda:**

- 10:45 – 11:00 Opening remarks
- 11:00 – 11:20 Market Assessment Presentation
- 11:20 – 11:28 Questions and Answers
- 11:28 – 11:30 Closing Remarks

## **Organizers:**

- United Nations Industrial Development Organization (UNIDO)
- HINICIO
